If Jesus Came To Your House

If Jesus came to your house to spend a day or two,
Came unexpectedly, I wonder what you'd do.

Oh, I know you'd give your nicest room to such an honored Guest,
And all the food you'd serve to Him would be the very best.

And you would keep assuring Him you're glad to have Him there,
That serving Him in your home is joy beyond compare!

But when you saw Him coming, would you meet Him at the door,
With arms outstretched in welcome to your Visitor?

Or would you have to change your clothes before you let Him in,
Or hide some magazines and put the Bible where they'd been?

Will you turn off the radio and hope He hadn't heard,
And wish you hadn't uttered that last, loud, hasty word?

Would you hide your worldly music and put some hymn books out,
Could you let Jesus walk right in, or would you rush about?

And I wonder if the Saviour spent a day or two with you,
Would you keep right on doing the things you always do?

Would you keep right on saying the things you always say,
Would life for you continue as it does from day to day?

Would your family conversation keep up its usual pace?
And would you find it hard each meal to say a table grace?

Would you sing the songs you always sing and read the books you read,
And let Him know the things on which your mind and spirit feed?

Would you take Jesus with you everywhere you'd planned to go,
Or would you, maybe change plans for just a day or so?

Would you be glad to have Him meet your very closest friends,
Or would you hope they'd stay away until His visit ends?

Would you be glad to have Him stay forever on and on,
Or would you sigh with great relief when He at last was gone?

Congratulations!

The late Mr. Earl Gordon, Deacons Damon Hardison, and Willie Mapp were three of the pioneers who organized this event.

In 1993, the Summit of Seven emerged as a transformation of the annual barbeque into an incredible conference & workshop organized by Deacon Moses L. Harvin. This event drew over 200 participants in its first year of operation. Each male was challenged to bring seven other males with him to the Summit, hence the name “Summit of Seven”. Spiritually, seven means completeness.

Summit of Seven History

In the mid 1980’s the men of Mt. Moriah Missionary Baptist Church organized, planned and executed programs to enhance professional and personal relationships among the male gender. The men organized a barbeque for the men and boys within the community to break down walls between the young and the young-at-heart.

This was a valiant attempt to foster a long-lasting and indestructible bond between the adult males, teenagers and young boys of our community.

This event was organized by the men of Mt. Moriah under the leadership of Dr. Harvey L. Riley.

Therewith, the summer BBQ became an annual event held under a majestic oak tree. Lending a helping hand to every person regardless of race or gender was the trade mark.
