## DOMESTIC VIOLENCE

**Sis. Lillian Scott, RN**

Domestic violence is a pattern of coercive, controlling behavior that can include physical abuse, emotional or psychological abuse, sexual abuse or financial abuse and any other behavior to establish power and control. Domestic violence is pervasive and affects millions of individuals across the United States regardless of age, economic status, race, religion, education gender, sexual orientation, or any other identity.

What to do if you are in an abusive situation.

- ◆ Talk to someone you trust, a family member, friends, clergy, nurse or doctor.
- ◆ Know where your important papers are in case you must leave in a hurry.
- Keep them in a safe place.
- Plan to go to a safe place. such as a shelter or a family members house.
- Call the police any time you feel in immediate danger.
- The National Domestic Violence Hotline can give you the name of the local shelter.

## Summit of Seven Brevard Zoo Educational Experience

We all got a little wet on this gloomy Saturday morning. We prayed for the abatement of rain and that the beautiful clouds would clear our area. God answered our prayers to a very enjoyable day at the Zoo. The rain was vanished and all of us, including the animals, were all very delighted. We met in the zoo parking lot and proceeded to the Land of Change Theater where we met the zoo educational director for an overview then we were off to a thrilling animal show and tell educational encounter.

It's been several years since we had an opportunity for a zoo educational experience with the Summit of Seven Boys & Men. Upon the announcement of our trip to Brevard Zoo there was excitement, everyone wanted to attend. Our visit was with great anticipation. Many of our youth have never been to Brevard Zoo and some have never visited any Zoo in the country. We all were very excited and looked forward to visiting this nationally recognized education program to learn and to watch many exotic animals such as zebras, monkeys, bulls, birds, etc. Our purpose is to provide a series of life-changing community educational, career and job opportunities for our youth and young adults. To present meaningful workshops and events that will challenge our youth and young adults to prepare for successful careers and family life. This lifetime experience exceeded our expectations and fulfilled our mission and purpose for 70 attendees.

Thanks to Mr. Keith Winsten, Brevard Zoo Executive Director and team who were very accommodating, providing a great opportunity for our youth. Our heartfelt thanks for Brevard Zoo generously and caring attitude. *To God Be The Glory for the Great Things He has Done!*

Deacon Moses L. Harvin, Sr.  
Summit of Seven Chairman

## Mt. Moriah's 108th Church Anniversary Celebration

The 108th Church Anniversary Committee want to thank all the Pastors, their congregations and visitors for sharing in our Anniversary Celebration. Well done to all the ministries that played a role in making this occasion a success and we thank you .....those seen and unseen.... *To God Be The Glory!*
